LEUKEMIA PROGRAM

YOU ARE INVITED TO ATTEND DR. SCOTT SOLOMON'S ORAL PRESENTATION

Scott Solomon, MD

Dr. Scott Solomon is board certified in the subspecialties of medical oncology and hematology. He is medical director of The Blood & Marrow Transplant Program at Northside Hospital Matched Unrelated Donor Program and medical director of the Northside Hospital Stem Cell Processing Laboratory. Dr. Solomon is also a Northside Hospital Cancer Institute Leukemia Program physician.

Dr. Solomon's clinical and translational research interests include innovative approaches to treating leukemia and improving the success of allogeneic stem cell transplantation, with a focus on novel graft-versus-host disease (GvHD) prevention and treatment strategies.
