

NORTHSIDE HOSPITAL CANCER INSTITUTE

**BLOOD & MARROW
TRANSPLANT PROGRAM**

IMMUNOTHERAPY PROGRAM

LEUKEMIA PROGRAM

The Northside Hospital Blood & Marrow Transplant, Immunotherapy and Leukemia Programs provide our patients and our community with service excellence where patients are our top priority.

BLOOD & MARROW TRANSPLANT PROGRAM

BMT Survival Outcomes:

- Our commitment to the highest quality standard has enabled our program to continue to over-perform year-after-year.
- Top 2.5% of programs in the nation to achieve survival outcomes that are superior to their predicted rates ($p < .05$).

Consultation:

- Ability for urgent patients to be seen within 3-5 business days.
- Other non-urgent patients are typically seen within 2-3 weeks.

IMMUNOTHERAPY PROGRAM

CAR T-Cell Therapy and Other Immunotherapy

Consultation:

- Ability to see relapsed/refractory patients within 3-5 business days.

LEUKEMIA PROGRAM

Consultation:

- Hospital-to-Hospital / Home-to-Hospital transfers.
- Facilitated by a leukemia nurse coordinator.

**For a patient consultation, call 404.255.1930.
